Which Bridgemate system should we buy?

All Bridgemate scoring systems offer you an equally and unparalleled high level of quality, reliability and user-friendliness. If your federation wants to offer more service to your tournament players and enhance your games even further, the Bridgemate II scoring system is definitely your choice. If fast, reliable and user-friendly electronic scoring at a competitive price is what you are after, the Bridgemate Pro scoring system is your best bet. And if your federation is on a tight budget, don't be afraid to buy a refurbished Bridgemate Pro system. It is as good as a new Bridgemate Pro system, and you even get a 2-year warranty on it! And if that is not enough, buy 20 Bridgemates or more, and you will get a special Bridgemate carrying case included for free!

Available in twelve languages

Bridgemates are available in the languages Danish, Dutch, English, French, German, Spanish, Portuguese, Italian, Polish, Swedish, Norwegian and Turkish. Bridgemate II is even available in Chinese! Is your language not listed? Let us know and we will work with you to localize the Bridgemate into your language.

Do I need another scoring program?

Bridgemate is supported by more than 20 scoring programs. Most likely your scoring program already supports Bridgemate. Once you have connected your Bridgemate system to your computer and installed the Bridgemate software, you are ready to go. But if you are not sure whether your scoring program supports Bridgemate, just drop us an email at info@bridgemate.com and we are glad to assist you.

Ask us for a quotation!

We are happy to provide you with an exact quotation that matches your requirements. We will discuss with you what is best for your particular situation and make sure that you get the best possible offer. Don't wait any longer; contact us at info@bridgemate.com and get started with world's most favourite scoring system!

Yours sincerely,
